

SAIO FELLOWSHIPS

Important Information:

Any applications or expressions of interest for any of the SAIO Fellowships will **not** be considered unless they include the following basic requirements:

Minimum Requirements:

- Graduate from an Ophthalmology Residency Program.
- **A cover letter** outlining exactly which fellowship is being applied for and the applicants experience in this area of ophthalmology and a brief outline of future career plans and reasons behind the application.
- **An up-to-date CV** - Including contact details of the applicant.
- **Surgical Experience and/or Logbook**
- **Two written references** from work colleagues and/or Supervisors.

Overseas Applicants:

- Applicants that come from countries that English is not considered the first language must have passed an Academic **IELTS** (English Language Test) with an overall score of **no less than 7** and a minimum of **7 in each field**. IELTS test results **will not** be considered if they are older than two years. (*Information regarding IELTS can be found on the Medical Board of SA website or on the attached document IELTS 2009*)

Summary of Application Requirements:

- Pass Academic **IELTS** with overall minimum score of 7.
- Two written references from medical supervisors.
- Detailed curriculum vitae.
- Names, addresses, telephone, fax and email addresses of 3 referees.
- A brief outline of the reasons for applying and future career plans.
- Applicant's address and contact details, including telephone, fax and email.
