With assistance from T Merlin, L Mundy, J Hiller and J Moss from the Health Technology Assessment Unit, Department of Public Health, University of Adelaide. Commonwealth of Australia, Canberra.

Medical Services Advisory Committee (2003) *Intra-Articular Viscosupplementation for Treatment of Osteoarthritis of the Knee – March 2003 Assessment Report*. With assistance from B Hodgkinson, T Merlin, J Hiller and J Moss from the Health Technology Assessment Unit, Department of Public Health, University of Adelaide. Commonwealth of Australia, Canberra.

Medical Services Advisory Committee (2003) *Placement of Artificial Bowel Sphincters in the Management of Faecal Incontinence – May 2003 Assessment Report*. With assistance from L Mundy, T Merlin and J Hiller from the Health Technology Assessment Unit, Department of Public Health, University of Adelaide. Commonwealth of Australia, Canberra.

C2 Other refereed contribution to scholarly journal

Braunack-Mayer A & Mulligan E C (2003) Sharing patient information between professionals: confidentiality and ethics. *Medical Journal of Australia* **178** 277-279.

Goldwater P N, Braunack-Mayer A J, Power R G, Henning P H, Gold M S, Donald T G, Jureidini J N & Finlay F (2003) Childhood tetanus in Australia: ethical issues for a should-be-forgotten preventable disease. *Medical Journal of Australia* **178** 175-177.

C3 Non-refereed contribution to scholarly journal

Fuller J & Edwards J (2003) Improving rural mental health care. *Balance Journal*. Autumn edition 10-13.

C4 Journal Articles – Letter or note

Bi P (2003) Research Letter: El Nino and incidence of hemorrhagic fever with renal syndrome in China. *Journal of American Medical Association* **289** (2) 176-177.

Hiller J (2003) Letter to the editor. *Journal of American Medical Association* **290** (17) 2256.

E3 Conference publications - extract of paper

Crowther C A, Hiller J E & Doyle L W for The ACTOMgSO₄ Collaborators Group (2003) “Does prenatal magnesium sulphate reduce the risk of mortality and cerebral palsy in infants born at less than 30 weeks gestation? – The ACTOMGSO₄ Trial”. *Perinatal Society of Australia and New Zealand 7th Annual Congress, March 9th-12th 2003, Hobart*, p A4.

Davies M J & Moore V M (2003) “Poverty reduces the length at birth of males compared to female siblings”. *Pediatric Research Abstracts Issue - Second World Congress on Fetal Origins of Adult Disease June 7-10, Brighton United Kingdom* **53** (6) p 23A.

Duessen A R, Willson K, Hiller J E, Moss J, Crowther C A (2003) “Demographics and pregnancy outcome over a range of glucose tolerance”. *Perinatal Society of Australia and New Zealand 7th Annual Congress, March 9th-12th 2003, Hobart*, p A61.

McLaughlin K (2003) “Urban rural trends in participation, screening outcome and subsequent management of women aged 50-69 years, attending mammographic screening at Breastscan SA”. Student Workshop at the AEA Annual Meeting, 23rd September 2003, University of Western Australia.

Merlin T, Mundy L, Dekker G & Hiller J (2003) “Antenatal screening for heritable thrombophilia: is public funding merited?” *Improving outcomes through Health Technology Assessment Abstracts - ISTAHC 19th Annual Meeting June 22nd-25th 2003*, p 48.

Merlin T L, Mundy L, Dekker G & Hiller J E (2003) “Antenatal screening for heritable thrombophilia: what is the evidence?” *Perinatal Society of Australia and New Zealand 7th Annual Congress, March 9th-12th 2003, Hobart*, p A44.

Moore V M, Davies M J, Willson K, Worsley A, Robinson J S (2003) “Dietary composition of pregnant women and size of the babies at birth”. *Pediatric Research Abstracts Issue - Second World Congress on Fetal Origins of Adult Disease June 7-10, Brighton United Kingdom*, **53** (6) p 52A.

Moss J, Hodgkinson B, Merlin T & Hiller J (2003) “When the comparator is usual care: an example from osteoarthritis of the knee”. *Improving outcomes through Health Technology Assessment Abstracts - ISTAHC 19th Annual Meeting June 22nd-25th 2003*, p171.

Moss J, Ryan P, Willson K J, Reid C M, Marley J E & Wing L M H for the ANBP2 Management Committee (2003) "Quality of life outcomes in the Second Australian National Blood Pressure Study (ANBP2)". *The Annual Conference of the Australian Nurses' Cardiovascular Hypertension Association, 4th – 6th December 2003, Melbourne.*

Orfanos A, Pisaniello D L, Barton R T, Tkaczuk M, Steer C & Edwards J W (2003) "Hazardous materials emergency incidents in South Australia, 1997-2002". *Proceedings of the 21st Annual Conference of the Australian Institute of Occupational Hygienists, and the National Symposium on Chemical Hazard Control in Small And Medium sized Businesses.* The AIOH 21st Annual Conference - 6-10 December 2003, Hilton Hotel, Adelaide, p286.

Smith C A, Crowther C A, Willson K, Hiller J E, Doyle L W (2003) "Placental transfer of magnesium sulphate: a randomized placebo controlled trial". *Perinatal Society of Australia and New Zealand 7th Annual Congress, March 9th-12th 2003, Hobart, p P48.*

Wang H, Pisaniello D, Thomas P & Henry R (2003) "Nitric oxide level decreases in exhaled air of coal miners". *Proceedings of the 21st Annual Conference of the Australian Institute of Occupational Hygienists, and the National Symposium on Chemical Hazard Control in Small And Medium sized Businesses.* The AIOH 21st Annual Conference - 6-10 December 2003, Hilton Hotel, Adelaide, pp287-288.

Wang S, Moss J R & Hiller J E (2003) "HIV prevention programs for gay men: literature review and implications for China". *Essentials, Differentials and Potentials in Health – Program and Abstracts. 35th Public Health Association of Australia Annual Conference 28th September – 1st October, Brisbane.*

Ward A M V, Moore V M, Steptoe A, Cockington R A, Robinson J S, Phillips D I W (2003) "Size at birth and cortisol responses to psychological stress: evidence for fetal programming in men". *Pediatric Research Abstracts Issue - Second World Congress on Fetal Origins of Adult Disease June 7-10, Brighton United Kingdom* **53** (6) p 39A.

K Others

Conference Presentations:

Gun R (2003) *Chronicity, can it be predicted? A prospective study.* Whiplash 2003 Conference, 6th – 8th May 2003, The Assembly Rooms, Bath, England.

Harvey P, Fuller J, Gentle I & Misan G (2003) *The Sharing Health Care SA chronic illness self-management program – local evaluation model and early impact.* Health Outcomes 2003: The quest for practice improvement. 9th Annual Nationals Health Outcomes Conference, 20th – 21st August 2003, Canberra.

Moss J, Grimmer K & Falco J (2003) *A systematic approach to learning from consumer feedback regarding the processes and outcomes of discharge from the acute hospital*. Third Health Services Policy and Research Conference, Melbourne, November 2003.

Moss J, Mickan S, Fuller J, Hockings B, O'Rourke P & Procter N (2003) *Building research capacity through mentoring relationships*. General Practice and Primary Health Care Research Conference, 18th-20th June 2003, Canberra.

Moss J, Grimmer K & Falco J (2003) *A Systematic approach to learning from consumer feedback regarding the processes and outcomes of discharge from the acute hospital*. Ethics and Philosophy of Health Financing Conference & 3rd Health Services and Policy Research Conference, 15th – 19th November 2003.

Moss J & Grimmer K (2003) *Presentation and discussion of "PREPARED" tool*. Closing the Loop – Process for Community Feedback on Discharge Planning Outcomes. Primary Health & Community Care Branch, NSW Health Department Seminar, North Sydney, 5th June 2003.

Moss J, Fuller J, Procter N on behalf of the Consortium (2003) *Population health mentoring for General Practice Divisions*. PHERP Innovations Conference, May 2003, Canberra.

Moss J R, Willson K, Ryan P, Reid C M, Marley J E, Wing L M H on behalf of the ANBP2 Management Committee and Investigators. Comparison of quality of life outcomes for elderly hypertensive subjects in the 2nd Australian National Blood Pressure Study (ANBP2). 4th World Congress on Health Economics, June 2003, San Francisco.

Report:

Fuller J & Gentle I (2003) *Sharing Health Care SA Impact Evaluation-First Qualitative Data Report, Stage: program beginning (July – Sept 2002)*. Spencer Gulf Rural Health School and the Department of Public Health.
