C3 Non-refereed contribution to scholarly journal

Bi P & Tong S (2004) Surrogate measures of exposure in questionnaire design. *Australasian Epidemiologist* **11** (1) 24-26.

E3 Conference publications - extract of paper

Ashwood PJ, Crowther CA, **Willson KJ**, Kennaway DJ & Haslam RR (2004) “Neonatal adrenal function after repeat dose prenatal corticosteroids: a randomized trial”. *Perinatal Society of Australia and New Zealand 8th Annual Congress, 15-18 March 2004, Convention Centre, Darling Harbour, Sydney, Australia*, pA86.

Baghurst PA, O’Brien LT & Chan A (2004) “A risk-adjusted comparison of the caesarean section rates of consultant obstetricians”. *Australasian Epidemiological Association Annual Conference, Australasian Epidemiologist* **11** (3) p40.

Bi P, Boss K, **Tully P** (2004). “Sharp injury and body fluid exposure among health professionals: Surveillance from a tertiary hospital”. *Australasian Epidemiological Association Annual Conference, Australasian Epidemiologist* **11** (3) p49.

Crowther CA, **Hiller JE**, **Moss JR**, McPhee A, Jeffries W, Robinson JS for The ACHOIS Collaborators Group (2004) “Does antenatal screening and treatment of impaired glucose tolerance improve health outcomes in women and their infants? The ACHOIS trial”. *Perinatal Society of Australia and New Zealand 8th Annual Congress, 15-18 March 2004, Convention Centre, Darling Harbour, Sydney, Australia*, pPL19.

Crowther CA, McLaughlin K, **Willson K**, Battin M & Harding JE (2004) “Repeat doses of prenatal corticosteroids for women at risk of preterm birth: a non-randomised preference cohort study”. *Perinatal Society of Australia and New Zealand 8th Annual Congress, 15-18 March 2004, Convention Centre, Darling Harbour, Sydney, Australia*, pA87P.

- Crowther CA, **Willson K**, **Hiller JE**, Wilkinson C, Furness M & Hayward C (2004) "Women's opinions and experiences of prenatal screening for down syndrome: a randomized trial". *Perinatal Society of Australia and New Zealand 8th Annual Congress, 15-18 March 2004, Convention Centre, Darling Harbour, Sydney, Australia*, pA64.
- Deussen AR, Crowther CA, **Hiller JE**, **Moss JR**, **Wilson KJ**, Jeffries WS, McPhee AJ & Robinson JS (2004) "Treatment of impaired glucose tolerance in pregnancy changes infant morphology". *Perinatal Society of Australia and New Zealand 8th Annual Congress, 15-18 March 2004, Convention Centre, Darling Harbour, Sydney, Australia*, pP154.
- Elshaug AG**, **Moss JR**, Southcott M (2004). "Demonstrated utility of routine clinical data in assessing effective and efficient practice in a sleep laboratory". *Australasian Epidemiological Association Annual Conference, Australasian Epidemiologist* 11 (3) p50.
- Gun R** (2004). "Privacy law is kneecapping epidemiological research". *Australasian Epidemiological Association Annual Conference, Australasian Epidemiologist* 11 (3) p36.
- Hiller J**, **Merlin T**, Babidge W, McConnell A & Kearney B (2004) "The development of the Australian Horizon Scanning Network and its impact on policy". *Proceedings of the 1st Annual Meeting of Health Technology Assessment International 2004, Krakow-Poland, May 30 – June 2, 2004*, p283.
- Hiller J**, **Moore V**, Crowther CA, **Willson KJ** & Robinson JS (2004) "The effects of calcium supplementation during pregnancy on blood pressure in women and children 4 to 7 years later". *Perinatal Society of Australia and New Zealand 8th Annual Congress, 15-18 March 2004, Convention Centre, Darling Harbour, Sydney, Australia*, pA19.
- Hiller JE**, **Moore V**, Crowther CA, **Willson KJ**, Robinson JS (2004). "Long term impact of in-utero experience: The effects of calcium supplementation and pre-eclampsia during pregnancy on blood pressure in women and children". *Australasian Epidemiological Association Annual Conference, Australasian Epidemiologist* 11 (3) p33.
- McLaughlin KJ, Sutton P, Williamson L, Rogers J & **Hiller JE** (2004) "Does urban or rural residence in South Australia influence participation, screening outcome and subsequent management of women aged 50-69 years, attending routine screening mammography at BreastScreen SA?". *Australasian Epidemiological Association Annual Conference, Australasian Epidemiologist* 11 (3) p25.
- Merlin T & Hiller J** (2004) "Are institutionalised approaches to pain assessment and management effective? A systematic review". *Proceedings of the 1st Annual Meeting of Health Technology Assessment International 2004, Krakow-Poland, May 30 – June 2, 2004*, p232.

- Merlin T, Mundy L & Hiller J** (2004) “Caught between a rock and a hard place: indirect comparisons and the trade-off between information and methodological rigour”. *Proceedings of the 1st Annual Meeting of Health Technology Assessment International 2004, Krakow-Poland, May 30 – June 2, 2004*, p233.
- Miller E** (2004) “HCV infection in South Australian prisoners: A plan to define an unchecked epidemic”. *Australasian Epidemiological Association Annual Conference, Australasian Epidemiologist* 11 (3) p40.
