PHYSICAL ACTIVITY & LIFESTYLE TRAINERS RFDS - HEALTHY LIVING PROGRAM

- Promote, Encourage & Support Healthy Lifestyles
- Travel to Rural and Remote Communities on a monthly basis
- Several Part Time Options

Australia's famous aeromedical service, the Royal Flying Doctor Service, in partnership with the Li Ka Shing Foundation, is seeking to appoint enthusiastic, self-motivated and passionate individuals to the above positions. The RFDS' vision is to promote, encourage and support healthy lifestyle changes in remote areas of South Australia, focussing on increased physical activity and improved dietary intake.

With the support of the Project Coordinator and working within a team of Lifestyle Trainers you will develop, deliver and monitor individual and community physical activity programs and healthy eating initiatives to people living in rural and remote areas of SA.

Key responsibilities will include:

- Actively engaging individuals and community groups in the healthy living program.
- Prepare and present individual and community education programs on physical activity and healthy diet.
- Measure, monitor and record agreed parameters for program evaluation.

You will need:

- Demonstrated skills in motivating individuals to participate in exercise.
- Awareness of cross cultural communication and the needs of people with different physical abilities.
- Experience in the development of fitness and physical activity programs.
- A knowledge of social determinants of health and experience in health promotion and community development.
- Demonstrated experience in physiological measurement and data collection.
- Very strong interpersonal and written communication skills.
- Comprehensive computer skills utilising Microsoft Office.

If you like a challenge and are looking to utilise your skills in health promotion in a unique environment, apply now.

Please direct your application and confidential enquiries to:

Kate Guerin - Human Resources Coordinator
