

Aboriginal Health Division

The Aboriginal Health Division is seeking applications from prospective employees who can contribute to the Division's objectives to reduce Aboriginal ill health; develop a culturally responsive health system and build Aboriginal community health and wellbeing. The Aboriginal Health Division provides advice on and advocacy for, policies and initiatives that lead to improved Aboriginal health outcomes

This is your opportunity to be part of a dynamic Aboriginal Health team that is committed to closing the gap.

Senior Project Officer (Data) Liaison & Strategy Team

Department of Health, Adelaide CBD

Indicative Total Remuneration: \$78,162 - \$82,910 - Perm F/T - ASO6

You'll provide data analysis, research and evaluation services to assist the Aboriginal Health Division. Providing timely policy advice and consultancy services relating to the health and wellbeing of Aboriginal people, you'll assist project staff with specific projects. With experience in data collection, analysis and presentation, you'll be competent in undertaking and reporting on a range of social research projects. *Job Ref: 2552.*

Aboriginal and Torres Strait Islander people are particularly encouraged to apply.

Application Information Pack and Job and Person Specifications are available from John Evans, telephone (08) 8226 7358, or email evans.john@health.sa.gov.au

DIRECTOR, COMMUNITY HEALTH

Primary & Population Health, CYWHS - Adelaide CBD

Indicative Total Remuneration: \$93,525 - Perm F/T - MAS3

You'll be accountable to the Executive Director, Primary and Population Health for the leadership and management of the Community Health Division. Your focus will be to promote, maintain and restore the health of children, young people and families through the Division's services. Responsible for ensuring strategic planning processes are conducted across the Division, you'll lead and implement service and business planning mechanisms which include staff and community participation. You'll ensure that the Division is staffed with qualified, experienced and skilled team members who meet service demands and have a positive commitment to client centred care. With tertiary qualifications in Health, you'll have prior experience in a senior clinical or health service leadership role in a large organisation. You'll have demonstrated understanding and knowledge of youth health, women's health, sexual assault services, child protection and advocacy services and health promotion.

SENIOR HEALTH PROMOTION OFFICER, HEALTH INFORMATION

Centre for Health Promotion, CYWHS - Adelaide CBD

Indicative Total Remuneration: \$75,476.72 - \$83,508.93 -

Temp F/T (until 30/06/2010) - ASO5

You'll develop and evaluate health promotion initiatives that improve the health and wellbeing of children, youth and women. Focusing on health information strategies, you'll coordinate key actions and programs working towards achieving the Centre's Business Plan outcomes. With experience in developing health information materials for target audiences, you'll have a sound understanding of health promotion theory and practice. *Job Ref: C2674.*

HEALTH INFORMATION MANAGER

Department of Health, Adelaide CBD

Indicative Total Remuneration: \$61,309 - \$68,678 -

Perm F/T - ASO5

The Health Information Manager will develop, implement and evaluate policies, standards and best practice guidelines for health record systems. You'll coordinate relevant projects and provide expert advice to clients, and assist in disseminating medical record management information and clinical coding updates. You'll have completed the HIMAA ICD-10-AM coding course at the intermediate level or equivalent, and have experience in the design of health record forms. *Job Ref: 2524.*

HEALTH PROMOTION OFFICER

South East Regional Community Health Service, Mount Gambier

Indicative Total Remuneration: \$53,529.38 - \$57,287.31

(pro rata) - Temp P/T (0.6FTE) (until 25/09/2009) - ASO2

You'll coordinate chronic disease prevention, self management programs and other initiatives. Leading active ageing programs such as Tai Chi, Wisemove and Easy Moves for Active Ageing, you'll represent the organisation as a first point of contact for volunteers and contractors. With experience in a community setting, you'll be able to communicate effectively with a diverse range of people. *Job Ref: 2527.*

CSSD TEAM LEADER

Riverland Regional Health Service, Berri

\$20.33 - \$20.59 p/hr - Perm F/T - WHA5

You'll ensure an effective central sterile supply service is provided to internal departments and external customers of the Riverland Regional Health Service. With proven experience in managing staff and the coordination of employees, you'll have highly developed interpersonal skills, with the ability to communicate effectively, develop, and maintain positive working relationships with a broad range of people. *Job Ref: 2681.*

Attention Chemistry & Biochemistry Graduates!

GeneWorks is an Australian biotechnology company specialising in providing services including custom DNA synthesis to the Life Science industry.

Due to business expansion we have a position available in our production laboratory. We are seeking an enthusiastic candidate with tertiary qualifications in Chemistry or Biochemistry, a strong work ethic, excellent time management skills and attention to detail. Experience in the use of computer controlled equipment and/or customer service would be an advantage.

A full job description is available upon request.

Written applications should be forwarded by:
Thursday 7th May 2009 to:

Lisa Fauser ~ GeneWorks Pty Ltd
39 Winwood Street, Thebarton SA 5031
