

PRESENTATION REQUIREMENTS

Rules

- A single static slide is permitted in the presentation (no slide transitions or animations).
- Each presentation may NOT exceed 5 minutes
- Each presenter will be given an additional 2 minutes for Q&A
- No additional electronic media (e.g. sound and video files) are permitted within the video recording.
- The decision of the assessment panel is final.
- Submissions via video format only.
- All presentation submissions are due by **COB Friday 21 August 2020** to be eligible for prizes.

Please note: students *will not* be judged on video/ recording quality capabilities. Judging will focus on the presentation and ability to communicate research project information only.

Ensure you look at each category when planning your poster presentation as each assessor will score all of the below out of 10:

- Quality and clarity of presentation and poster
- Scientific merit
- Quality of data/results/significance
- General understanding and ability to answer questions
- Overall poster rating

Refer to the faculty's filming guide for assistance
