Enrolment Order

You need to enrol into your courses in the following order to ensure that you do not have any timetable clashes. All enrolment occurs through Access Adelaide.

Semester 1 Order:
2. MEDIC ST 2102A – Clinical Practice II Part 1. Choose one Clinical class.
4. MICRO 2506 – Medical Microbiology and Immunology II. Enrol in one lecture. Ensure you leave enough travel time as lectures are in the Engineering building on campus. If you chose CBL Gp 2 for MEDIC ST 2101A, DO NOT enrol in MICRO 2506 Tutorial Gp 3.
5. MEDIC ST 2000A – Second Year Examination Part 1. Enrolment in this class is compulsory.

In total, 5 enrolments for Semester 1

Semester 2 Order:
1. MEDIC ST 2101B – Scientific Basis of Medicine II Part 1. Choose one CBL to enrol into with this course. This will direct the rest of your enrolments. eg. if you choose CBL Gp 2, you will not be able to choose Tutorials Groups 13, 14 or 15 as this will cause a clash. Ensure you leave enough travel time from AHMS to North Terrace campus when choosing your tutorial and resource group. Auto enrolled into lecture.
2. MEDIC ST 2102B – Clinical Practice II Part 1. Choose one Clinical class.
4. CLOSED ELECTIVE – The list of available electives is found on the study plan. Please be aware that there are some electives which will clash with components in MBBS. Please see the note below on resolving clashes.
5. MEDIC ST 2000B – Second Year Examination Part 2. Enrolment in this class is compulsory.

In total, 5 enrolments for Semester 2

NB. If you choose a class that clashes with other components or courses you are already enrolled in, an error message will be displayed along with the clashing class numbers. Please attempt to resolve this by ensuring you have followed the enrolment advice above, or choose a different class for one that is clashing.
If you cannot find a way to resolve the clash or enrol in all components, please complete an enrolment error advice form with the relevant class details and 10 digit error number.

You also need to make note of the locations of all of your classes, as locations are in the new Adelaide Health and Medical Sciences (AHMS) Building and also on Main Campus. You need to allow time to travel between AHMS and Main Campus.
