ALL COURSES ARE WORTH 3 UNITS UNLESS SPECIFIED OTHERWISE

Updated: September 2020

Core Courses for Degree

Core Courses for Major

Elective

### Degree Information

Students must ensure they are correctly enrolled in accordance with [Academic Program Rules](#) of their program.

### Major

Each student must complete an approved major within the Bachelor of Health and Medical Sciences. Major options and relevant study plans are located on the [study plans website](#):

- Clinical Trials
- Medical Sciences
- Neurosciences
- Nutritional Health
- Public Health
- Reproductive & Childhood Health

### Study Overseas

A study overseas experience may be incorporated into your program. See: [adelaide.edu.au/study-overseas](http://adelaide.edu.au/study-overseas)

### Enrolment Errors

Please [submit the relevant form](#) to request a unit-overload waiver, prerequisite waiver, timetable clash resolution or a course/class full request.

### Electives & Broadening

Closed elective courses\* are courses that are offered through the Faculty of Health and Medical Sciences. A list of these electives can be found on the Faculty of Health and Medical Sciences [study plan website](#).

Open elective courses\* are courses that are offered through the University of Adelaide. A list of these courses can be found on the [Course Planner](#).

All students must include three courses (9 units) broadening electives. Broadening elective courses\* are those which are outside the primary discipline area of study and can be searched using [Course Planner](#)

For all courses please check any restrictions and pre-requisites via [Course Planner](#).
