Core Courses for Degree	Core Courses for Major	Elective
-------------------------	------------------------	----------

Degree Information

Students must ensure they are correctly enrolled in accordance with [Academic Program Rules](#) of their program.

Major in Nutritional Health

A major in Nutritional Health comprises of 27 units. You must complete 3 units at Level I, 6 units at Level II, and 18 units at Level III.

Electives & Broadening

Closed elective courses* are courses that are offered through the Faculty of Health and Medical Sciences. A list of these electives can be found on the Faculty of Health and Medical Sciences [study plan website](#).

Open elective courses* are courses that are offered through the University of Adelaide. A list of these courses can be found on the [Course Planner](#).

All students must include three courses (9 units) broadening electives. Broadening elective courses* are those which are outside the primary discipline area of study and can be searched using [Course Planner](#)

For all courses please check any restrictions and pre-requisites via [Course Planner](#).

Study Overseas

A study overseas experience may be incorporated into your program. See: adelaide.edu.au/study-overseas

Enrolment Errors

Please [submit the relevant form](#) to request a unit-overload waiver, prerequisite waiver, timetable clash resolution or a course/class full request.
