Degree Information

Students must ensure they are correctly enrolled in accordance with [Academic Program Rules](#) of their degree.

Open and Closed Electives

Closed elective courses are courses that are offered through the Faculty of Health and Medical Sciences. A list of these electives can be found on the Faculty of Health and Medical Sciences [study plan website](#). Open elective courses are courses that are offered through the University of Adelaide in other Faculties. A list of these courses can be found on the [Course Planner](#).

All students must include three courses (9 units) broadening electives. For all courses please check any restrictions and pre-requisites via [Course Planner](#).

Study Overseas

A [study overseas experience](#) may be incorporated into your program.

Enrolment Errors

Please [submit the relevant form](#) to request a unit-overload waiver, prerequisite waiver, timetable clash resolution or a course/class full request.

Major Options

Each student must complete an approved major within the Bachelor of Health and Medical Sciences. Major options and relevant study plans are located on the [study plan website](#):

- Clinical Trials
- Medical Sciences
- Neurosciences
- Nutritional Health
- Public Health
- Reproductive & Childhood Health
