**IMPORTANT** - You must enrol in Semester 1 and 2 for all courses, regardless of whether you are allocated placement for that course in only one semester.

For courses in which you need to match your classes with your allocated placement dates/location (as allocated in Sonia), there is a note at the bottom of the class information in Course Planner to help identify your relevant class.

If you are undertaking a placement in Semester 1, you must enrol per your placement allocation in the Semester 1 course, and then into the shell class for the corresponding Semester 2 course, or vice versa.

For example – Student A is allocated to RAH Medical Home Unit in Semester 1 with rotation commencing on 21 March.

In Semester 1, Student A would enrol into the Medical Home Unit Part 1 class that corresponds with their placement, per the following class note:

**Note:** For students who are allocated RAH placement commencing on 21 March.

In Semester 2, Student A would enrol into the shell class for Medical Home Unit Part 2, with the following class note:

**Note:** Shell class for students who are allocated to a Medical Home Unit placement in Semester 1.

Additional info for students allocated to Surgical Home Unit at RAH/Modbury - Students allocated to attend Modbury first in the SHU rotation are required to enrol into the class for Modbury (not RAH). Students allocated to RAH first in the SHU rotation are required to enrol into the class for RAH (not Modbury).

If you enrol into a class that clashes with other classes or courses you are already enrolled in, an error message will be displayed along with the clashing class numbers and an enrolment request ID.

**Please attempt to resolve this by ensuring you have followed the enrolment advice above, or choose a different class for one that is clashing (if applicable).**

For enrolment issues you cannot resolve yourself, please lodge the relevant [enrolment form](#) (eg. Timetable clash resolution, course/class full, course add – late, amendment to enrolment). \*Lateral Entry students may need to submit a [pre-requisite waiver request form](#) for Semester 1 courses.
