Updated: December 2021

Core Courses for Degree	Thesis Stream	Research Stream	Elective
-------------------------	---------------	-----------------	----------

Degree Information

Students must ensure they are correctly enrolled in accordance with [Academic Program Rules](#) of their degree. At Level IV students must choose to either complete a 1-year Thesis or a 1-year Research project, and cannot mix between both options.

Open and Closed Electives

Closed elective courses are courses that are offered through the Faculty of Health and Medical Sciences. A list of these electives can be found on the Faculty of Health and Medical Sciences [study plan website](#). Open elective courses are courses that are offered through the University of Adelaide in other Faculties. A list of these courses can be found on the [Course Planner](#). All students must include three courses (9 units) broadening electives. For all courses please check any restrictions and pre-requisites via [Course Planner](#).

Enrolment Errors

Please [submit the relevant form](#) to request a unit-overload waiver, prerequisite waiver, timetable clash resolution or a course/class full request.

Study Overseas

A [study overseas experience](#) may be incorporated into your program.
