

REPROMED REPRODUCTIVE HEALTH SCHOLARSHIP SCHOLARSHIP RULES

BACKGROUND

Repromed have established the Repromed Reproductive Health Honours Scholarship to support one undergraduate student who is interested in human reproductive health and/or animal reproductive health that is transferable to humans. Repromed will fund a once year scholarship for three years commencing in 2022.

The following rules are hereby made:

RULES OF THE SCHOLARSHIP

1. The Scholarship shall be known as the “Repromed Reproductive Health Scholarship”.
2. Recipients must be Australian citizens, permanent residents of Australia or holders of a permanent humanitarian visa undertaking study as a Commonwealth supported student and must remain enrolled on a full time basis in the approved program for which the scholarship was approved.
3. The annual value of the Scholarship is \$5,000, of which \$4,000 will be paid in two equal instalments direct to the student following confirmation of enrolment and satisfactory academic progress after each of the census dates (March/August each year), while the remainder will be paid to the relevant University supervisor as a contribution to the costs of the research project.
4. One scholarship shall be awarded to a student undertaking an Honours Degree of Bachelor of Health Sciences, Honours Degree of Bachelor of Science in the areas of Animal Science or undertaking the further or subsequent year of the Bachelor of Medicine, Bachelor of Surgery program of study at the University of Adelaide.
5. The scholarship will be offered on an annual basis from 2022 to 2024.
6. The scholarship will provide assistance with education and living costs for one year for the approved program for which the recipient is offered the scholarship, subject to the student maintain satisfactory academic progress in each semester of enrolment.
7. The scholarship must be taken up in the year in which it is offered; acceptance of the scholarship offer cannot be deferred. If a student declines the scholarship offer, the scholarship will be offered to the next eligible student.

8. The scholarships shall be administered by the Course Scholarships Office of the University.
9. Selection of the successful candidate will be made by the Director, Robinson Research Institute or nominee according to academic merit and a demonstrated interest in human reproductive health and/or animal reproductive health that is transferable to humans. Academic merit will be determined according to students' cumulative Grade Point Average (GPA) or equivalent scores.
10. Students in receipt of other University of Adelaide scholarships are not eligible for this scholarship.
11. The scholarship will be terminated where:
 - a student ceases to be enrolled in the approved program of study at the University;
 - a student has provided false or misleading information with regard to their personal details;
 - a student has failed to maintain satisfactory academic progress for two consecutive semesters;
 - a student is guilty of serious misconduct in terms of the University Policy Rules for Student Conduct in the University.
12. The rules of the scholarship may be varied from time to time by the University.
